DEFENDERS 2012!

DEFENDERS is a three-day seminar for youth ages 17-24.

It is intended to equip college-bound and college students who are of Christian persuasion to handle the pressures of non-Christian world-views and those who promote them, sometimes in an aggressive and hostile manner.

This event combines training in basic Christian apologetics with fun and recreation in the northwoods of Maine.

All participants automatically qualify to apply for a \$500 Mary L. Hartline scholarship, to be used for further training in apologetics.

DATES: May 24-26, 2012
